Dear OSWA Member:

I want to Welcome the Oregon Small woodlands Association members to the largest farm coop in the Pacific Northwest. In cooperation with the Oregon Small Woodlands Association leadership, Wilco is pleased to offer its members discount programs. These programs are designed to bring additional value to your association membership.

Please return the enclosed response form to be able to participate in the valuable woodland program. Your response, mail or email, is required to be eligible to participate. Upon receipt Wilco will add you as a cash customer (if you do not already have an account) and you will receive the discounts offered by the program at any of our Agronomy Centers. In addition you will receive a packet with the credit application and coop membership application if you have chosen those options on the form. If you are responding by email, please make sure all information on the form is included.

The Specialty Program application is another opportunity to save at the Wilco Farm Stores. This is a separate program offered to all farm owners who purchase a minimum of \$1200 from the farm stores per year and file a Schedule F on their tax returns. Most of you will qualify under the Nursery or Vineyard program or the Commercial Farm program.

If you have any questions, please feel free to call Customer Care at **800-382-5339**.

I will be glad to help you with technical questions during the year to make your projects a success, whether it is for reforestation, Christmas trees or range and pasture. We also have agronomists on staff to help with any other agricultural need.

Thank you for considering Wilco and best wishes on all your endeavors.

Sincerely,

Kurt Spingath
